Wine List

We are proud recipients of a most prestigious Diners Club Platinum Status Award for our wine selection.

Our guests are most welcome to bring their own wines. Rest assured there will be no corkage ever.

Wine Selection

In order to provide you with as much information as possible before finalising your selection, we have added the most recent available gradings from the *Platter's Wine Guide* to each wine.

A significant part of our Platinum Award status is owed to our careful selection of wines. And it is a well-known fact that the 'terroir' – the soil, topography and climate – has a profound effect on the grapes producing the wine. It should come as no surprise then that all of our wines originate in the Western Cape – an area renowned for world-class terroir and home to the most revered wine regions in South Africa.
